About us

The Tasmanian Training Consortium (TTC) sources, co-ordinates and evaluates professional development training for the Tasmanian public sector. We partner with highly qualified and experienced training providers to deliver a wide range of courses and programs that address the capability requirements for public sector work.

Our courses are a great way to grow your network and connect with others across the Tasmanian public sector, while learning new skills and ideas that you can apply immediately in the workplace.

In recognition of the deep history and culture of this island, we acknowledge and pay our respects to all Aboriginal people, the traditional owners of this Country, and recognise their continuing connection to Land, Sea, Waterways and Sky. We pay our respect to Elders, past and present, and acknowledge and value their contribution and cultural knowledge.
